PSYCHOLOGICAL ASSESSMENTS

Spectrum has now expanded its multidisciplinary approach and is proud to be able to offer individualized comprehensive psychological assessments.

ABOUT COMPREHENSIVE ASSESSMENT

Psychological assessment is a process of testing that uses a combination of techniques to help arrive at some conclusions about a person and their behavior, personality and capabilities. Many families pursuing psychological assessment are seeking diagnostic clarity as well as therapeutic and educational recommendations.

Assessment reports are used in a variety of ways, but some of the most common are:

- Informing public and private school accommodations
- Therapeutic treatment planning
- Environmental recommendations

OUR SPECIALTY
